This week-long course focuses on giving you the knowledge you need to run a successful composting facility, whether you’re just getting started or have been composting for a while.

In addition to in-depth lectures, the course provides hands-on practice through indoor and outdoor activities as well as tours to local facilities, where the theories meet reality.
Training complies with Certified Compost Operations Manager™ Program

CCREF • 3801 Lake Boone Trail #190 • Raleigh • NC • 27607
phone: 301-897-2715 • fax: 301-530-5072 • info@compostfoundation.org • www.compostfoundation.org
The CCREF advances composting technologies, practices, and beneficial uses that support resource conservation and economic and environmental sustainability. The CCREF is a non-profit 501(c)(3) organization.

Students receive an instruction manual, access to complete presentations, plus supplemental resources.

While the CCREF is a national organization, we strive to keep the course relevant to local conditions. Our faculty has extensive experience in making, permitting, selling and using compost in the surrounding region.

**CURRICULUM**
